

CATTLE DEPARTMENT

No Pets. Service Animals Only Are Allowed On The Fairgrounds.

No more than 2 entries per exhibitor per Division.

Members of the same firm, family or from the same farm will be considered one exhibitor and will be allowed 12 animals

- We have room for approximately 125 head of cattle. Entries from exhibitors from the past two years will be given preference. Other entries will be on record and if stall space becomes available exhibitors will be notified in order of date received.
- Beef, Dairy, and Sheep Shows both Open and 4-H will be open to all Maine and New Hampshire Counties.
- It is desirable that the different breeds be stalled together. Therefore, please make all entries by August 1st, along with your certificate of insurance.
- All cattle must be in place Thursday at 8:30 A.M. and remain until 5:00 P.M. Sunday unless given special permission by the cattle superintendent. Premiums will be withheld for early departure.
- Animals must be pure bred for recorded and group classes.
- Entries and certificates of \$1,000,000.00 liability insurance with Acton Fair named on the certificate must be on file before animals are unloaded or stalled.
- All bulls over 1 year old must be handled and shown with a halter and a lead attached to a nose clamp or ring in the nose.
- All bulls must be registered.
- Grade females may be shown.
- All animals must be entered in the name of the owner.
- No entry or stall fee
- All animals shown in group classes must have been shown in individual classes.
- Cattle trucks and trailers will park in specified areas.
- No children in backpacks will be allowed in show ring.
- The office will be open all day Wednesday until 9:00 PM for livestock exhibitors to obtain passes from Ellen Burke.
- ALL LIVESTOCK will be inspected by the Veterinarian on site upon arrival prior to unloading.
- Premiums to be paid— \$25 per head up to 10 cattle must be on fairgrounds all 4 days.

TO ALL CATTLE OWNERS

All stalls will be bedded down when animals arrive. All further bedding will be supplied by the exhibitor. It is recommended that you have your cattle vaccinated against Infectious Bovine Rhinotracheitis (IBR), Parainfluenza-3 (PI-3), and PVRB. These diseases are widespread and may cause respiratory trouble in cattle and secondary complications. It is also recommended that all cattle be vaccinated against rabies.
