Hey Kids – Want to help a farmer milk his cow, gather eggs from the chickens and help plant his garden? Visit the Farmer's Lil' Helper exhibit and learn about how the food you eat and products you use are produced. After you have helped the farmer with all his chores you can take the items that you have collected to the Farmer's Market to sell. Then you can buy something at the Farm Store with your earnings. See you in the barn!

Farmer's Lil' Helper will be open:

Thursday 4PM – 8PM Saturday Noon – 8PM
Friday 4PM – 8PM Sunday Noon – 5PM
